MAAPP Policy

The Center for SafeSport has developed the Minor Athlete Prevention Policies (MAAPP) which USA Judo has adapted to our own sport. The MAAPP is a collection of proactive and training policies comprised of two parts; Education & Training Policy that requires training for certain Adult Participants and the Required Prevention Policies, focused on limiting one-on-one interactions between Adult Participants and Minor Athletes to prevent abuse. The full MAAPP policy and the reporting mechanism for SafeSport infractions can be found at <https://www.teamusa.org/USA-Judo/MAAPP>.

All MAAPP and SafeSport violations can be reported formally or anonymously through the reporting form/button found here: <https://www.teamusa.org/usa-judo/safe-sport-program>. If you have any questions about this please contact austin.leath@usajudo.us or 719-866-3621.
