Although, if there is demand for it, we can add "elite only" divisions for such players. Coaches, please let us know. We welcome new players, referees, and tournament workers.

MAAPP Policy The Center for SafeSport has developed the Minor Athlete Prevention Policies (MAAPP) which USA Judo has adapted to our own sport. The MAAPP is a collection of proactive and training policies comprised of two parts; Education & Training Policy that requires training for certain Adult Participants and the Required Prevention Policies, focused on limiting one-on-one interactions between Adult Participants and Minor Athletes to prevent abuse. The full MAAPP policy can be found at www.usjudo.org.
